Better do  
a little  
than  
NOTHING

REVIEW!

=> Contribute

Why company doesn't contribute?

Lack  
of  
knowledge

Lack  
of  
time

Doubts

Lower  
development  
cost

Do the  
BEST

Control  
and  
personalise

own  
your data

what you need  
when you need

Better project than more projects-  
for same amount of money

Customer don't care about the principles  
and philosophy
